

6th WORLD LANDSLIDE FORUM
2023 FLORENCE ITALY

14-17
NOVEMBER
2023

SPONSORBOOK

Why become a sponsor of the WLF6?

As a sponsor and/or exhibitor, you will have the opportunity to market yourself to an international audience of those involved in the field of landslide research and mitigation. Depending on the level of sponsorship, you will be given complimentary advertising space, and display of your logo in various forum publications and around the venue. Your company will be recognized and promoted on the WLF6 website (sponsor section), in the Forum program and in selected associated materials.

Having an exhibitor's stand with your company has many advantages. It will be located in the **Palaffari ground floor** (registration/information and Food&Beverage area) and will ensure a good flow of traffic. You get the chance to show your products and have the opportunity to interact with many researchers, scientists, technical experts, students, and other stakeholders.

We would like to invite you to contribute to a successful organisation of this event in one or more of the following ways: – As a sponsor of the meeting – As an advertiser in the congress material (final programme, leaflet in the congress bag) – By participating in the congress exhibition – Special presentation of your product (social event, coffee break, etc.) – Other items (providing congress bags, lanyards, pens and pens etc.) – It is also possible to create tailor made packages to suit your company needs.

Sponsors supporting the WLF2023 to a certain value will fall into different levels of categories:

- Platinum Sponsor**
- Gold Sponsor**
- Silver Sponsor**
- Bronze Sponsor**

The WLF6 will offer several important events, such as a High-Level Panel Discussion of Representatives of International Organizations and National Government, Round Table Discussion, Scientific Sessions, Workshops, Technical Exhibition, and interesting Post-Forum Study Tours.

Sponsor level and sponsor items, will follow a first come, first served basis.
